Brief Description of Argument to be Presented:

The claims are supported by one or more of the parent applications and are thus entitled to an earlier priority date than the filing date of the instant application. As support is found the new matter issues are obviated. The claimed invention is fully enabled throughout the claim scope and are not obvious over the cited references.

An interview was conducted on the above-identified application on _____.

NOTE: This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
